DISCOVER BIBLE STUDY

SESSION 1

Welcome to Session 1 of the “**Come and See**” Discover Bible Study! Walk through this guide with your people to engage with scripture, seeing what you all might discover together. Take your time, and try to see the text with fresh eyes, and connect with others along the way.

CONNECT

1. What is something you're thankful for?
2. What has been challenging for you or the people around you this week?
3. How can you or this group help one of these needs?

DISCOVER WHAT GOD IS SAYING

Read and retell the Bible passage: *John 1:29-50*

4. Read the story / scripture out loud to the group TWICE in different translations. After you've read the passage, have 2 different group members retell it in their own words from memory.
 - Tell the story like you would share it with a neighbor right outside their front door.
 - Don't try to tell it perfectly, but focus on getting the story deep into your heart in simple & accessible terms that the people around you would understand.
 - Note the different ways each person in the group brings out a new dimension of the story and appreciate the different perspectives.
5. What does this passage teach us about God?
6. Have the remaining group members, one by one, retell the passage with the same reminders above. Everyone should retell the passage before you move on.
 - If your group has 8 or more people, try having everyone share the story in pairs.
7. What does this passage say about humankind?

DO WHAT GOD IS SAYING

8. Give everyone 2-5 minutes of silence to listen to God and quiet their hearts.
9. What will you do in response to this passage this week? (I will...)
 - Make it tangible so that you know whether you did it or not next week
 - As you grow, allow your obedience steps to get more challenging/costly
 - Make a group chat and share these to pray for each other. Be ready to share next week.

SHARE WHAT GOD IS SAYING

10. Who will you share with this week?
11. Who could you invite to study the Bible like this? Consider meeting together at a time that works for them, or invite them into this group!

PRAY TOGETHER

12. Pray for each person in a focused way to:
 - Sacrificially meet the pain and stress around them – to bring life.
 - Support each person to obey what God said.
